

“The 13 Colony Council”

*Reaching Out to Mobilize the Region &
Restore the Root of God’s Covenant in our Nation*

Who We Are:

The Thirteen Colony Council is a mobilizing team of God's friends! We love the Presence of the Lord! We love His Word! We are fathers, mothers, college students, grandparents, children, apostles, prophets, intercessors, pastors, evangelists, teachers and business leaders who want to see God's covenant roots restored within our nation! We desire to see the hearts of the Fathers return to their children and the children to their Fathers. We want healing and revival to break forth in our land. We desire to see the Body of Christ flow with anointing and power, releasing the Word of the Lord with signs, wonders and miracles following, everywhere we go. We want to see America turn back to the Lord.

How We Get Our Assignments:

The 13 Colony Council receives invitations into a territory from people like you; ministries, prayer groups, churches, networks, business groups and home churches. We seek the Lord as to whether it's His time to go. If he says yes, we pray concerning His purpose for the assignment there, discuss this with those who have invited us and set dates for the team to come! There is no cost for the team to come. However, an offering is always appreciated if you wish to sow into this Kingdom work.

How We Function in Your Territory:

Since relationship is a key part of this assignment, we spend time getting to know the Saints in each territory. We fellowship, worship, eat and pray together. We listen to hear what God is saying about your region. We listen to what God is saying to you about your assignments in the region. We minister personally to those who need it. The entire team moves in the gifts of God and we encourage you to join in with us. Together we prophesy over the people, the territory, the cities, the churches and ministries. We may go out on the streets to minister and pray, or do public baptisms in pools, bays and the ocean. We go to key places in your territory to pray... we do whatever God may ask us to do!

Why We Are Doing This Now:

On September 2016 Apostle Chuck D. Pierce gave us this prophetic word: “Gates are being opened in the North East and 13 original colonies. Those all need to get together and form a council for the 13 original colonies and say we’re “fixing” to take back stuff that’s been taken from us. Everything God is doing here in NJ is for the original 13 colonies and it is key for this nation. You don’t want to repeat the same old things. They just keep getting repeated in a different way. Starting in October (2016) the sword will start contending in the northeast. That means you (Original 13 Colonies) are going to lead the nation in overcoming and triumph. The 13 original colonies now become the forefront of movement for an entire nation again. NJ, pull this together!”

How You Can Be A Part of This Team:

Participation is simple! Connect with us via email to learn about our regional gatherings and events throughout the Original 13 Colonies! Join with us at these events and prayer times. Registration is always free, and we love to meet new people! As you get to know us, and we get to know you, you will begin to hear from the Lord what your part should be on the team.
